

Adobe® Digital Publishing Suite

Direct Entitlement Service Request Form

Use this form to request deployment of an IntegratorID for the Digital Publishing Suite Direct Entitlement system.

Before you complete this form make sure you have met the following criteria

- The service request is for a production environment. IntegratorIDs won't be provided for development / testing environments.
- The service has been developed and tested according to the specifications (Direct Entitlement). See: <http://www.adobe.com/devnet/digitalpublishingsuite/articles/dps-entitlement.html>
- The service has been deployed on a production environment.
- The service is running using SSL (https) - service requests for services deployed on regular http will be rejected.

Date required (yyyy-mm-dd):

Deadline date here, when is the last date you need this in place? Prepare for at least 5 business days for your requests.
